February was a great month for LearnKey students. Taking advantage of all of the opportunities and resources available, our students experienced much success.

In February our students hit the following milestones:

Industry Certifications Earned: 102
Programs Complete: 23
Students Employed YTD: 23

The good life is a process, not a state of being. It is a direction, not a destination.

CARL RODGERS

We want to let you know you can count on LearnKey being available to help you meet your educational and professional goals.

LearnKey Blue Ocean Program

An Opportunity as Large as the Ocean - The Blue Ocean program is a highly specialized job readiness and employment opportunity program with a very special benefit. We provide each student with the tools and skills necessary to improve their employment opportunities for career placement.

For more information contact our Enrollment Team.

LKVS Students Hired!

Employment is our #1 goal with each of our students. Take a look at the job title of some of our newly employed students.
